

**Mark Cameron**  
**COO, Ardmore Shipping**

**Biography**

Mark has over 30 years experience in the maritime industry focusing on ship management and corporate activities. Prior to Ardmore he was Vice President, Strategy and Planning for Teekay Marine Services.

Mark's experience includes 11 years at sea, rising to the rank of Chief Engineer with Safmarine and latterly AP Moller, including time onboard bulk carriers, salvage tugs, tankers, general cargo, reefer and container ships.

Mark has held several senior management roles ashore specializing in integrating acquisitions covering all facets of ship management, as well as sale & purchase, newbuilding supervision, personnel management, procurement, fleet management and technical supervision.
